

## South Otago High School International languages Week 2010

At South Otago High School we ran International Languages Week to promote multiculturalism and acceptance of all cultures by experiencing and enjoying different languages, food, and cultural experiences. This is a very important and great opportunity for us here at South Otago, especially as we live in a small town

We began with International day on Monday. Students and staff were encouraged to dress up and parade at the hall. Many international food stalls were prepared for people to try different food. Following up we had many quizzes everyday along with daily greetings from a variety of countries.

Everyone encouraged wearing badges for people who can speak other languages during this week. Students were really proud of these badges.

Many staff had an opportunity to make sushi on Friday. We made traditional sushi and naked sushi.

Some of the different activities we had were; dress up with international costumes, badges, film, karate demonstration, fear factor, pukana competition etc.

- **Quiz** - Daily quiz for students, Quiz for house group, Quiz for staff
- **Lunchtime Activities**

**Monday** - Students and staff dressed in traditional costumes or national colours. It was then followed by a parade and the rest of the school came in mufti.

International food stalls with \$1.00 tokens to buy food  
prize for best dressed

**Tuesday** - No activities due to PPTA PUM meeting.

**Wednesday** - Film showing

International games and have a go with Salsa dancing.

**Thursday** - Karate demo session during lunchtime and have a go session with everyone who wish to participate during after school time.

**Friday** - Fear Factor

Pukana Competition

Draw for daily quiz winner and staff quiz winner.
